2. The tenders should be sent in properly sealed covers superscribed "Tenders for the supply of Ragi Straw for the animals of the Serum Institute," specifying the rates in the undermentioned form. The rate quoted should be written in words as well as in figures.

3. The tender rate quoted must be inclusive of all the charges for free delivery of straw at the Institute premises at Hebbal, or at the Institute Reserve Depot. The tenders will be opened by the undersigned at 3-35 P.M., on 12th June 1933 in the presence of such tenderers as may choose to attend.

4. The quantity mentioned below being only approximate, the undersigned reserves the right to order for more or less from the successful tenderer.

5. No claim for enhanced rate on any account or for compensation of any kind shall be entertained during the contract period.

6. The successful tenderer should be prepared to supply such quantities as are required from time to time, upon indents from the Officer in charge of Serum Institute, within the time specified in the indent.

7. Every tenderer should deposit in the State Huzur Treasury, Bangalore, a sum of Rs. 100 as earnest money towards the tender in favour of the Officer in charge, Mysore Serum Institute, Bangalore, and the treasury receipt obtained therefor should accompany the tender, without which the tender will not be considered.

8. The final acceptance of any tender will rest with the Director of Agriculture who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

9. The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement on a ten anna stamp paper, depositing a sum equal to five per cent of the total value of the tender in the State Huzur Treasury, Bangalore, as security deposit for the due fulfilment of the contract, within seven days from the date of intimation of the acceptance of the tender failing which his tender will be cancelled and the earnest money forfeited.

10. The earnest money of the unsuccessful tenderers will be arranged to be refunded in due course. After acceptance of one of the tenders the earnest money deposit of the successful tenderer will be refunded to him after his executing the necessary agreement bond.

11. Bills for supplies made during the month should be submitted early for auditing and arranging payment. The total of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half a rupee will be disregarded and half a rupee and over will be taken as a rupee. The total of bills less than Rs. 25 will be rounded to the nearest anna only.

12. The straw to be supplied should be of good quality and conform to the sample furnished at the Institute and will be liable to be rejected, if not found suitable and satisfactory to the undersigned.

13. Should the successful tenderer fail to comply with any of the conditions stipulated above his contract shall be forthwith cancelled and the money deposited will be forfeited to the Government. Further, in the event of the successful tenderer, failing to fulfil his contract within the specified time or failing to supply ragi straw within the required time as per indents sent, the undersigned reserves the right to purchase the straw required, in the open market against him, at his risk and expenses, and claim damages for any dislocation of work or loss that may arise; but the contractor will have no right to participate in the profits, if any, by such purchases.

Every successful tenderer will be required to execute an agreement on a ten-anna stamp paper depositing a sum of Rs. 150 as security deposit in the State Huzur Treasury, in favour of the Officer in charge, Serum Institute, within seven days from the date of intimation of the acceptance of the tender for the due fulfilment of the contract, failing which his tender will be cancelled and earnest money forfeited. The earnest money of the unsuccessful tenderers, will be arranged to be refunded in due course. After acceptance of the rate of any two of the tenderers, the earnest money of the successful tenderers will be refunded to them after their executing the necessary agreement bond.

13. The successful tenderers should be prepared to supply such number of animals as may be required from time to time on indent from the Officer in-charge within the time specified by him.

14. No advance of cash will be made to the contractors. Payments to the contractors for goats supplied will be arranged by the undersigned as soon as possible after the contractor submits his bill for the same with the relative vouchers attached thereto. While arranging payment of his bills the contractor should accept the following conditions:—

(*a*) The total of bills amounting to Rs. 25 or more will be rounded to the nearest rupee; *i.e.*, fractions of less than half-a-rupee will be disregarded and half-a-rupee and over will be taken as a rupee.

(*b*) The total of bills less than Rs. 25 will be rounded to the nearest anna.

15. The tenderers should note the following conditions:—

(*a*) Tenders should be for the supply of only he-goats and pregnant goats which should be from 1 to 3 years of age, in good condition and in perfect health.

(*b*) Each animal should weigh not less than 50 lbs., and

(*c*) Animals which have been previously protected against Rinderpest by S. S. method of inoculation and those which have recovered from a previous attack of Rinderpest as well as those that have formerly been used in the Institute will not be accepted.

16. A fine not exceeding Rs. 30 will be levied at the discretion of the undersigned for every infringement of the stipulation of the contract or for any attempt to impose upon the-

undersigned S. S. inoculated or rejected or used he-goats, etc., and if the stipulations of the contract be frequently violated, the contract will be annulled and the security deposit forfeited to Government at the discretion of the undersigned.

17. The undersigned reserves to himself the right to keep the animals under observation for four days prior to final acceptance and also to reject any animal at any time within those four days without assigning any reason for the same. Such animals shall be removed by the contractor immediately on receipt of intimation from the undersigned and they should be replaced within four days by an equal number of animals that may be acceptable to the undersigned.

18. If, owing to any delay in supply, the undersigned is obliged to purchase he-goats elsewhere, he will do so at the risk of the contractor and any extra cost involved will be recovered from him independently of any fine that may be also levied on him as per para 16. But the contractor shall have no claim on the profits, if any, by such purchases.

19. The contract should not be sublet.

20. The decision of the undersigned shall be final in all questions of acceptance of he-goats.

21. Any further information relating to the supply of he-goats may be had from the undersigned on working days between 2 P.M. to 4 P.M. in his office.
